GLOBAL VISION

Mombasa, Kenya

God touched many lives in Kenya. God gave us an international team (USA, Canada, Indonesia & Sweden). Several hundred pastors and leaders were impacted in the Revival Fire Conference and School of Ministry. Many souls came to Christ in the evangelistic outreaches. More than 1500 persons were assisted in

the Medical Camps. Several dozen orphans and widows were given assistance. There was special training for ladies and future entrepreneurs also. The pastors are asking us to return as soon as possible to train them further. Space does permit to tell all God did - these photos

describe some of what took place. To God be the Glory!

Thank you who have made this possible by praying and supporting this ministry. We could not do it without you.
