# GLOBAL VISION

## Merry Christmas!

Please accept a warm and heartfelt "Merry Christmas" from our family to you and yours! Thank you for your participation in the ministry and for praying for us, our family and the ministry.

This year, with your help, we conducted training in 7 Bible/Missionary Schools - training more than 1000 leaders, provided help for a number of new church plants, purchases of buildings for churches and held numerous evangelistic crusades and outreaches, including special outreaches with a team of 500 from Indonesia. Many lives were touched, many came to Christ and there were many testimonies of healings. A young man got out of his wheel chair in Portland, Oregon. A woman with curvature of the spine for 46 years was healed in St. Petersburg, Russia. A doctor in Prague came to Christ and

was healed of long-term back problems due to heavy lifting.

Just a little news about our family: Tiffany just finished her first semester of College. Rachel and Joe moved back to San Diego where Joe is pursuing his Masters after graduating from St. Edward's University in Austin. They are expecting their first child, our first grandchild, in June. Susan and David moved up to the town of El Dorado in the foothills of the Sierra Nevada. David is busy with various types of construction. Susan has been stenciling for several well known artists and will soon start work at a custom wedding dress design store. Nina is busy with Dental Hygiene, helping with the ministry and at the same time holding down the fort. We had the opportunity to minister together in Ukraine and Czech Republic this year. Tiffany, Rachel and Joe joined us. We visited

several nations, ending our journey in Rome. It has been a very busy year.

Thank you for your support and participation. It means so much to us. We could not do this without you!

Please continue to pray for us, our family, the teachers who partner with us, and all the outreaches. In 2013 we plan Bible Schools and evangelistic outreaches in Ukraine, Russia, and Armenia.
