GLOBAL VISION

Czech Republic Ministry - Prague

God gave us a breakthrough in our outreaches to the city of Prague, capital of the most atheist nation in Europe. We saw God save and heal people of various nationalities despite much spiritual opposition. This nation is ripe for

an awakening. We hope to return and train local leaders to reach this nation for Christ.

We thank all who are making this ministry possible, by praying and

supporting this ministry. We could not do it without you.
