

GLOBAL VISION

2012 Ministry - Year in Review

God touched many lives in the nations where we ministered. With your help, we trained more than 1000 leaders in 7 Bible/Missionary Schools, provided help for a number of new church plants and purchased buildings for churches; held numerous evangelistic crusades and outreaches, including special outreaches

with a team of 500 from Indonesia. Many came to Christ and there were many testimonies of healing. With God's help we provided humanitarian help and financed an outreach that evangelized over 12,000 persons from a nation not open to the Gospel of Jesus Christ.

We thank all who are making this possible, by praying and supporting this ministry. We could not do it without you.
