## Ministry in Republic of Georgia

The harvest is ripe in Georgia. People are hungry for God's Word. During my recent visit, the response was awesome. Many came to Christ and were healed. This is a nascent work being spearheaded by Pastor Karin from Armenia. We had 7 meetings in 6 different towns. The plan is to establish

a beachhead to reach the people in dozens of towns and villages. With the help of ministry partners we are working to obtain 2 buildings in the area. The urgent need is for Missionaries to take up residence there. We have several students from

Georgia in our Bible School in Armenia who are about to return to this region.

Please pray that God will raise up leaders to bring in the harvest.

We need your prayers and support for these and other outreaches.
