GLOBAL VISION

Armenia Graduation and Ministry

More than 25 churches have been started by graduates of the previous Missionary Schools. We expect more results from this graduating class. It was a joy to train these new leaders for the work of God in Armenia and

Georgia. Please pray for a great harvest of souls in this region of the world. We and the pastors and churches thank all who participated, all who prayed and all who supported this ministry financially. You have made this

possible. We could not do it without you. May God recompense you!
