GLOBAL VISION

WALTER WITH PASTORS AND GRADUATING CLASS

Yerevan, Armenia - Global Vision Missionary School

God opened great and effectual doors of ministry here in a region surrounded by nations where the Gospel cannot be preached freely. We had students from Armenia, Georgia, Russia and Iran. We heard powerful testimonies and words of appreciation from the pastors who

sent these students. Most of them were present for the graduation in Yerevan. Pastor Arto did a wonderful job coordinating the Armenia Bible School. Before school was out - several churches were started by the students. Last year over 200 new churches were

planted by graduates of our schools. Please pray for our current schools in Russia and Ukraine.
