GLOBAL VISION

Ministry in Siberia

How exciting it is to be here in Siberia, training evangelists and church planters, empowering leaders and preaching the Gospel to new people. This is a land where many suffered for the cause of Christ but now new churches are arising

and many lives are being touched by God. Please pray for the churches here and all the laborers in this field of harvest. We thank all who are making this ministry possible, by praying and supporting these outreaches financially.

We could not do it without you. *Photos: Preaching in a night club and pointing to the site of one of the worst Gulags in the Soviet Union.*
