GLOBAL VISION

WALTER WITH PASTORS AND STUDENTS

Siberia Ministry and Missionary School

God opened another great and effectual door of ministry here in Siberia, a land once deserted and known for the gulags. It was - 37° C when I arrived but I soon forgot how cold it was as I was met by Pastor Vitaliy and introduced to some of the warmest and most receptive believers I ever met. I have not seen

such a missionary zeal as in these Siberian missionaries in training. These 140 students could not all fit in the hall and were in other rooms watching via projection. They will soon be reaching out to cities and towns in this vast region and beyond. Some are preparing to go to other nations. They need our prayers

and support. Please stand with us in this and our other outreaches.

Yours in Christ's love,

Walter & Nina
