Christ is Risen! Siberia Ministry

God moved mightily in Siberia. People responded to the message of the Gospel, receiving Christ as Savior. Many testified of healing. It was also a time of training evangelists and church planters, empowering leaders and preaching the

Gospel to new people.. Please pray for the churches here and all the laborers in this field of harvest.

We thank all who are making this ministry possible, by praying and supporting these outreaches financially.

We could not do it without you. *Photos: Preaching in Novosibirsk, Siberia, Russia*
