Thank you to all who supported the Children's Outreaches as well as the ongoing humanitarian relief work. The Children's and Teen Camps were successful

Cuba

Just returned from very successful ministry there. We **ministered in 7 churches** - souls came to Christ and many were healed. The team **installed 2 solar systems** to provide urgently needed electricity for the

despite intensified bombing. Several thousand children were reached.

We continue to provide food, clothing, medicine and evacuations to the needy in front line towns and cities.

We are preparing for our 5th annual retreat in Ukraine for pastors working in war zones. Please pray and consider supporting this crucial event! We cover the cost of travel, lodging and meals for these pastors and their families. This is a highlight of the year for them as they can get away from the noise of war and rest for a few days. They receive encouragement and prayer.

farm we helped purchase that is providing food for many needy families; and, for a Church to operate and to continue to feed the most needy in their community, especially the elderly. This was crucial as power outages are lasting 30-40 hours with only a few minutes to 3-4 hours with power. The grid keeps collapsing - the whole country went dark 7 times this year (5 times recently), no running water, food scarcity, no public transportation. We continue to support pastors with food, solar panels and water wells. Water is not flowing through the lines as there is no power to move the water. Wells we provided are serving entire communities. **Your support is crucial.**
